### Letter of Support

In my capacity as the Principal Hansraj College University of Delhi, I am writing this Letter of Support to all the Faculties, Scholars and Students of Hansraj College that I wholeheartedly endorse the Let's Do It India Foundation (<https://letsdoitindia.org/>) movement and I hereby acknowledge 17th September 2022 as the "World Cleanup Day" (<https://www.worldcleanupday.org/>)

(<https://www.worldcleanupday.org/country/india>)

World Cleanup Day 2022 will be the biggest peacetime civic action in human history, engaging over 191 countries and millions of volunteers around the globe. The lack of social and corporate responsibility for the waste pollution and especially its effects on the environment both on land and in the ocean, as well as its inevitable impact on health, hygiene and poverty, continue to be a catastrophic problem in many countries.

This global, mismanagement waste crisis requires our collective attention and actions. The situation can only be improved by increasing awareness and promoting socially responsible behaviour on an unprecedented world scale, if we are to prevent its disastrous and irreversible negative effect.

I hereby invite everyone of the Faculties, Scholars and Students of Hansraj College to support, by all available means at their disposal, the campaign and initiative that will take place around the India and Globe in the frame of the World Cleanup Day on 17th September 2022.

I very much look forward to participate alongside you all, nationally, on this forthcoming World Cleanup Day on 17th September 2022.

Further I hereby confirm to be knowledge partner of Let's Do It India Foundation, New Delhi.

Sincerely Yours,
